While Saundersfoot basks in a heatwave, members of the SC4T have been making plans for Christmas!

This year, plans have been underway to create a month of festive activities in the village starting from 2nd December right through until the New Year's Day Swim!

A new website has been designed and launched specifically for the [Saundersfoot Coastal Christmas](https://saundersfootcoastalchristmas.co.uk) which will detail the 'Calendar of Activities' and 'What's On' over the month. This will be constantly updated as events and information are finalised. Look out for the flyers which will be available to pick up during the weeks ahead around the village.

For any organisation or business holding any Christmas themed activity and want to be included on the website, please contact us on saundersfootchamber@gmail.com (There will be no charge for your listing and information on the website)

We have 10 wooden Christmas Cabins which will be situated on the Harbour Car Park. These cabins will host a variety of retailers and will be open from December 2nd until January 1st 2023. An attractive tunnel of Christmas lights will connect these cabins to Ocean Square and hope to attract more Christmas shoppers to Saundersfoot, looking for that unique and local gift. We currently have some availability for the cabins so for those retailers interested in renting a cabin, please contact us by email on saundersfootchamber@gmail.com

IRONMAN WALES September 11th 2022

...before we go

'On behalf of the Saundersfoot Chamber for Tourism, I would like to say a huge thank you to all our members for their continued support after such a long absence. Our annual events have had to take a back seat whilst we concentrated on getting through the pandemic and we are so pleased to be back planning our future events. We have been enthused by how many organisations have embraced the attitude of working together, to not only ensure we maintain a strong community bond but to find ways to work together to help the local economy thrive. By being a Chamber Member, you are supporting an organisation that works to support the village. Your contributions enable us to facilitate some of the annual events the public love to attend and create Saundersfoot as a little village with a lot to offer! Without your help, it just wouldn't happen which is why we value and appreciate all your efforts and support.'
